

World MS Day 2024 in Ireland

May 30, 2024

- 1.
- 2.

With May 30th marking World MS Day, Novartis Ireland are proud to support MS Ireland with their 'Many Stories' campaign which focuses on the theme of 'Diagnosis', inviting people living with MS to write a letter about their personal diagnosis story to either their past selves, family members, etc.

MS Ireland have worked with 6 spokespeople living with MS whose letters have been shared on their social media, and were on display on Tuesday 28th, in St Stephen's Green shopping centre.

Novartis Ireland are delighted to be able to display several of these letters in our reception in Elm Park and we hope to be able to invite [@MSIreland](#) to visit later in the year.

There will be an information event held on the evening of May 30th which will explore the topic of 'Uncertainty in MS', and you can register to attend here: 'MS and Uncertainty'
