

Expression of Interest: Medical Affairs Talent

Job ID
REQ-10049702

Apr 20, 2025

Japan

Summary

Are you passionate about advancing medical science and improving patient outcomes? We are seeking talented professionals to join our Medical Affairs team. If you have a strong background in medical science, excellent communication skills, and a desire to make a difference, we want to hear from you!

About the Role

Key Responsibilities:

- Provide scientific and medical expertise to support clinical development and commercialization of products.
- Develop and maintain relationships with key opinion leaders and healthcare professionals.
- Collaborate with cross-functional teams to ensure alignment of medical strategies with business objectives.

- Conduct medical education and training programs for internal and external stakeholders.
- Review and provide input on clinical trial protocols, study reports, and regulatory submissions.
- Ensure compliance with all relevant regulations and guidelines.

Qualifications:

- Advanced degree in a medical or scientific field (MD, PharmD, PhD).
- Experience in Medical Affairs or related roles within the pharmaceutical or biotechnology industry.
- Strong understanding of clinical research and regulatory requirements.
- Excellent communication and presentation skills.
- Ability to work collaboratively in a fast-paced, dynamic environment.
- Strong analytical and problem-solving skills.

Why Join Us?

- Opportunity to work with a dynamic and innovative team.
- Contribute to the development of cutting-edge medical treatments.
- Engage with leading experts in the field.
- Competitive compensation and benefits package.
- Supportive and inclusive work environment.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients' lives.
