

Julie Chauvet

Head EU Relations

Julie is heading the Brussels office since 2023. Before she joined Novartis in 2017, she led Medicines for Europe advocacy as Head of Governmental Affairs, coordinating the association's strategy and outreach to European stakeholders. Julie holds a post-graduate degree in European public policies from Science Po Strasbourg (FR) and the University of Wroclaw (PL), a master degree in political science and a master in history from the Universities of Strasbourg (FR) and Leiden (NL). Originally from Strasbourg, Julie lives in Brussels, is married and has a son.

Contact Julie regarding:

- General pharmaceutical legislation
- Patent package
- AI Act
- Stakeholder outreach
- General issues
