

Vincent Vanwijnsberghe

Director EU Public Affairs

Since 2024, Vincent has fully integrated the Brussels team as Director EU Public Affairs. He joined Novartis Belgium & Luxembourg in 2013 as Public Affairs & Patient Advocacy Manager, and he most recently worked as Director Public Affairs EMEA at Novartis Gene Therapies. Previously, Vincent worked for Baxter Belgium & Luxembourg as Head of Public Affairs & Communications and at Fortis Bank & Insurance as Senior Press Manager and Spokesperson. He started his career as a consultant in Communication, Public Affairs and Patient Advocacy agencies in Brussels and Paris. He was a lecturer at the EU Commission and the EU Parliament during more than 10 years. Vincent is married and happy father of 3 boys.

Contact Vincent regarding:

- Environmental sustainability
- Urban Waste Water Treatment Directive
- Corporate Sustainability Due Diligence Directive
- Orphan and pediatric regulations
- EU Presidencies
