

Benefits & Rewards

At Novartis, we pride ourselves in making sure that our employees are rewarded for their commitment, skills, expertise and creativity. Unleashing the power of our people and inspiring them to be curious and unbossed is an integral part of Novartis culture.

Our Total Rewards offering includes every way that our employees are rewarded for their time, talent, dedication and achievements.

Novartis Life Handbook

You can find everything you need to know about our benefits and rewards in the Novartis Life Handbook.
