

# Tab Students Commercial & Sales

US

## **Sales Rotational Internship Program**

Interested in a dynamic sales career? The Sales Rotational Summer Internship at Novartis includes two internship experiences designed to prepare high-potential students for entry-level Territory Account Specialist roles. Over 10 weeks, you'll gain practical knowledge, build key skills, and engage in real-world sales projects, setting the stage for a successful future in pharmaceutical sales.

### **Length of the program**

10 weeks

### **Location**

US - Remote

### **Recruitment calendar**

November - December

## **Commercial Strategy, Operations and Launches Internship**

Interested in launching an exciting career that intersects science, medicine, R&D, and strategy? Join the US commercial division, where we have the unique accountability to translate the science and medicines that come out of our R&D engine into meaningful patient outcomes, both equitably and at scale. As an intern, over 10 weeks, you'll be part of a general management team, tackling specific hands-on projects that aim to improve patients' lives by bringing new therapies to market.

### **Length of the program**

10 weeks

### **Location**

East Hanover, NJ

### **Recruitment calendar**

October - February

### **Apply**

(Disclaimer: Only U.S. university students are eligible.)
