Mar 24, 2025
United Kingdom

Summary

Novartis is looking for a driven key account manager with a passion for selling to lead two of their strategic Radioligand Therapy brands for the company in the Solid Tumours business unit. You will play an important part of the success of a team that has already changed lives of many people in the UK. This is the ideal job for someone who is hungry for success, with groundbreaking treatments and to be rewarded for this. To further develop their career at this exciting time at Novartis. This is a sales role responsible for achieving sales targets by promoting and selling. We are open to different levels of experience and the role may be titled Senior KAM depending on experience.

About the Role

Location:

This position will cover the West Midlands/ Thames Valley/ East of England (North) territory.

- **Birmingham/ Derby /Coventry /Oxford/ Cambridge/ Norfolk Hospital & referring trusts**

Please note this role requires the successful candidate to live on the territory and have the right to work in the UK. Visa or relocation support are not available for this role.

Key responsibilities:

- Develop business plans for the products, customers and implement related activities like customer events, sales & marketing campaigns, sales presentations necessary to achieve agreed objectives
- Develop and apply an understanding of customer organizations and networks and of diverse influences that affect customer decisions
- Accountable for achieving agreed sales, productivity and performance targets within agreed budgets and timescales
- Provide Key Account/Hospital network support, including referral networks
- Gain a deep understanding in the RLT specialist area, customer networks and products
- Maintain and enhance knowledge of products, product strategy, positioning, key messages, programs, company developments, customers, and competitors
- Achieve agreed contact, coverage and frequency targets through various communication channels
- Deploy and uses Marketing and Sales promotional materials and programs; coordinate direct promotion programs and facilitates pull-through activities
- Present highly technical portfolios to customer audiences
- Develop deep specialist product and disease state knowledge in the specific therapeutic area and

- leverage this to build professional customer relationships and support sound clinical discussions
- Integrate customer-facing activities with cross-functional teams (e.g. Medical Affairs, Market Access) to achieve sales targets.
- Ensure customer satisfaction and best in class customer relationship

Requirements:

- Experience working in the hospital environment in a secondary care sales role
- UK/NHS experience is essential
- Commercial and sales aptitude with a desire to drive for results
- Strong communication and selling skills
- Engaging customer centric approach
- Patient centric outlook
- Collaborative and has proven success with cross functional working
- An existing network of contacts and relationships from the territory would be advantageous as would previous private healthcare knowledge and experience
- Full UK driving license
