

Patient assistance

Novartis believes that medicines should be available to all who need them. We have a variety of programs to help support patients and make it easier for them to afford their medicines.

Novartis Patient Support

Novartis Patient Support is a comprehensive program designed to help patients start, stay, and save on a Novartis treatment.

Novartis Patient Assistance Foundation (NPAF)

NPAF is an independent 501(c)(3) non-profit organization that provides Novartis medications free of cost to eligible patients who have limited or no prescription insurance coverage and cannot afford the cost of their medication.

External Support

Financial assistance may be available from government, independent organizations, or charitable foundations to qualified patients who are unable to afford their co-pay or other medical costs.
